High-end innovations for the poker player who just got home and is looking to stay there

BY SCOTT THARLER

ON YOUR RECENT TROPICAL GETAWAY, Eterna's durable yet elegant, highly functional, and innovative **1. KonTiki Diver** (\$9,495, <http://eterna.ch>) performed well under pressure. Its hinged lid mechanism and unique sealing system, water-resistant to an almost unfathomable one kilometer depth, withstood the demands of each breathtaking scuba dive you took. But now you've returned to dry land. So settle back in Sunlighten's home-friendly **2. mPulse Sauna** (\$3,499-\$9,999, [www.sunlighten.com/mpulse](http://www.sunlighten.com/mpulse)).

The world's first customizable full-spectrum infrared sauna features personalized wireless biofeedback tracking. You can target your complexion, relaxation, detoxification, weight loss, pain relief, and heart health. Forget about old-fashioned rocks and steam. This easy-breathing, state-of-the-art wellness tool features an LCD touch-screen interface, CD/DVD player, Blaupunkt speakers, anti-bacterial bamboo heater backrests, and ergonomic floating benches. After that session, ease gently into Inada's heavenly **3. Sogno Massage Chair** (\$7,999, [www.inadaUSA.com](http://www.inadaUSA.com)). With over 1,200 square inches of comforting coverage, you're quietly and comprehensively cradled. Personal infrared sizing, deep therapeutic pressure through the I.T. band,

Inada's hip-undulating DreamWave technology, and a full-body stretch set this fine piece of furniture a clear head and melted shoulders above the rest. But don't rest too much, because you're situated perfectly to enjoy Samsung's integrated all-in-one **4. HT-C6730W 7.1-channel Blu-ray Home Theater System with Advanced Connectivity** (pricing/availability TBA in March, [www.samsung.com](http://www.samsung.com)). Surrounded by three front, two side, and two rear speakers as well as a subwoofer, you're right in the middle of the full high-def and master audio action. You'll hear a perfect replication of every bit the studio sound engineers laid down. Plus, the player's built-in online connectivity to Netflix, Hulu, and Pandora will ensure you won't want to leave your home—or more specifically, that very seat—ever again.
